

NOA Fall Mat

The NEW NOA Medical Industries Fall Mat has been designed with caregiver and patient safety in mind. The new beveled edge decreases the chances of tripping while approaching, entering and exiting the bed, and allows you to easily move an overbed table or lift into position. The soft 1" foam provides maximum protection in case of falls. The PVC coating is fluid resistant providing you durability in all settings. The NEW NOA Fall mat – designed for safety and peace of mind.

Features Include:

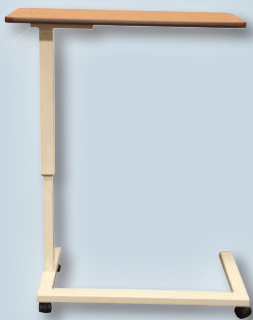

- 100% polyurethane mat coated with PVC outer layer
- Beveled Edge to reduce trip hazard
- Wipes clean with liquid disinfectant
